Points to note when completing your application form

You will make your final decision regarding subject choices when you enrol into the sixth form in September 2010.

All students who complete an application form will be interviewed by a member of the sixth form team in spring 2010.

The preferences you indicate will help us to provide the subject choices that students want.

Most students will do 4 AS subjects in year 12 and then 3 A2 subjects in year 13.

You cannot undertake combinations of some subjects such as two product design subjects e.g. Textiles and Graphics or Resistant Materials.

Students opting for the English Language and Literature AS cannot also do English Literature or English Language.

The sixth form team will be in school on GCSE results day and on days afterwards to support you and guide you towards enrolment, if you have any questions.

If you have any questions about this process please see Mr Bell or Mrs Jones or e-mail bell.c@cottinghamhigh.net

Further details about the sixth form are on the learning platform.

Please return this application form to your tutor before the end of school on December 18th.
