Dear Head teacher

Re: Covid – 19

In light of the guidance from government today please can we ask you to remind students, via your school website and social media platforms, about the availability of school nurse support. School nurses are available 9am – 5pm Monday to Friday, via ChatHealth – our confidential text messaging service. The contact number for ChatHealth is **07507 332891**.

Please can you publicise the link for the ISPHNS website on the school website also.

Our website is a useful resource for many parent/carer queries, and also contains information to support young people.

Our duty teams are available to answer and any staff or parental queries. For each localities duty team please take a look at his link:
