2 April 2020

Dear Parent/Carer

Free School Meal (FSM) vouchers

I am pleased to inform you that from week commencing Monday 20th April 2020, we will be moving to the new Government coordinated FSM voucher scheme which will be provided by Edenred. I am sure you will already have seen and heard about this in the daily media information.

This will provide you with a weekly supermarket voucher of £15.00 per eligible child, during the Academy term time. The Edenred system works in a similar way to the current e-voucher provider Wonde.

Edenred will send a link to your email address
You select your supermarket
Edenred will send your supermarket e-voucher

It is our intention that these e-vouchers will continue on a weekly basis until further notice during term time.

During the transition period to the new provider, The Consortium Academy Trust would like to provide your family with a further FSM e-voucher of £23.00, this will be sent by the current provider Wonde. Within the next 48 hours Wonde will be sending you an email or text containing a link. Clicking on the link will allow you to select a supermarket of your choice. Your e-voucher will be sent to you during the week commencing Monday 6 April 2020. Our hope is that this will provide your family with some much needed planning time to make longer term financial arrangements for the next academy holiday time. We must stress that the Government system does not cover FSM during the academy holidays, as a gesture of goodwill to support our communities the Trust is providing the Easter allowance.

We hope this will be of some benefit to you during this very difficult time. We will provide you with a further update on the new voucher system in due course.

If you have any concerns or questions regarding this service, please email office@cottinghamhigh.net

Yours faithfully

Cottingham High School
