25 November 2020

Dear Parents and Carers

Following the letter sent to you yesterday to ask you to keep your son/daughter at home next week to help us deal with the significant number of staff we have out at the moment. As stated in the letter, things are changing rapidly. We have had confirmation of a positive COVID 19 case today in Year 9 and in Year 10 but only 71 students in Year 10 have been identified by the Local Authority and Public Health England as being close contacts and having to self-isolate and therefore will be at home as from tomorrow 26 November until 7 December 2020. Your child has not been identified as being in close contact therefore we look forward to seeing them in school tomorrow as normal.

This means that we now have the capacity to be able to accommodate your child in school throughout all of next week.

I apologise for the sudden change, but as I am sure you will appreciate much of this is out of the school's control and we have to be able to respond swiftly and take appropriate action. We cannot ask students to stay at home when we can cater for them in school.

Thank you for your understanding, please take care and look after your loved ones.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Loz Wilson'.

**Loz Wilson**  
Headteacher
