Dear Parent/Carer

15.10.21

We recently advertised for parents / carers to become Parent Governors. The closing date has now passed and as there were more nominations received than there were vacancies, a ballot will be held. The candidate receiving the highest number of votes will secure the role of Parent Governor for a 3-year term of office.

There are two vacancies and therefore each parent / carer has two votes.

You can vote via clicking on the link below or, you can collect a paper version of the ballot paper from the school reception (open 8am – 4pm).

There are seven candidates. Each candidate has been asked to provide a statement of no more than 250 words in support of their nomination. Please remember that you are voting for the person that you consider has the skills and experience to undertake the role successfully – it does not matter if you do not personally know the candidate whom you consider would be the right parent for the role. Each candidate statement can be seen via the link below.

Each parent/carer of a child attending Cottingham High School is entitled to two votes regardless of the number of children they have in school. To ensure a transparent and smooth election process please adhere to the following:

Each parent/carer may vote for two candidates

You may not cast more than one vote for any candidate

Parents with more than one child are not entitled to more votes

Votes must be cast between Friday 15 October and Friday 29 October 12 noon

Please read the seven statements via the link or on the paper copy available at the school and at the end of the statements you will be able to select your preferred two candidates.

Yours faithfully
