Cottingham High School
and Sixth Form College

6 December 2021

Dear Parent/Carer/Student

LFD testing 5th January 2022

The Government want all students to be LFD tested upon their return to school after the Christmas break on Wednesday 5th January. We would like to avoid another staggered start and disruption to the new term, so to help us do this, we are asking that you LFD test your son/daughter on the morning of the 5th January and if they are negative send them into school.

Anyone with symptoms or a positive LFD test should not attend school and book a PCR test.

If you feel that you would prefer us to test your child at school on the 5th January, please can you fill in the form via the link below so we can organise your child's start to the term. Closing date for this request will be 12.00pm on Friday 10th Dec 21.

<https://forms.office.com/r/kiEkYxLMWc>

If you need additional LFD testing kits your son/daughter can ask their form tutors and they will be supplied.

Please note that you are not to LFD test your child if they have had Covid 19 within 90 days of the 5th January 2022 (5th Oct 2021) as it is highly likely to show as positive.

Thank you for your support with testing your child on the 5th January 2022 to ensure a safe and uninterrupted beginning to 2022.

If you wish to discuss any part of this letter please do not hesitate to contact the school.

Take care and keep safe.

Yours sincerely

Loz Wilson
Headteacher
