Dear Parent/Carer

During the course of next year we would like to attempt to hold two parental 'Questions & Answer' meetings with the headteacher or a member of the senior leadership team if parents would be interested in attending. We understand you may feel uneasy with the current Covid situation. If we are able to invite you into school safely we will or, we can move to a virtual meeting if required.

The meetings are designed for parents to review the school's systems in place and should not be used as a forum for personal grievances. If you have an issue relating to your child, please contact their head of year in the first instance.

If you wish to attend to attend a Parent Forum Meeting, please complete the survey via the link below by Wednesday 12th January 2022.

Thank you for your continued support.

Kind regards
