Dear Parent or Carer

Year 11 Leavers Arrangements

Firstly, thank you for your ongoing support and well done to our Year 11 pupils for their exceptional attitude and hard work so far in their GCSE examinations. As we approach the midpoint of the GCSE examination period, it is important that we communicate the final arrangements for our Year 11 students.

Students will be expected to attend school and be in all lessons up until Tuesday 11th June. To maximise the learning opportunities and potential outcomes, students will be taught by their specialist teachers within their existing timetables in addition to specific study block sessions in the run up to subject exam dates. Where an exam has been sat and course completed, independent revision resources for remaining exams and revision tools will be provided for students within remaining timetabled lessons.

The following events will also take place:

1. Students are to follow their exam timetables completing study blocks prior to all major examinations. If a student has misplaced theirs, please encourage them to speak with their tutor or Head of Year.
2. May half term revision plans – further information to follow
3. Tuesday 11th June - leavers assembly and shirt signing in the morning following the Chemistry exam. Pupils will be able to leave the school site after the assembly finishes unless they are sitting Further Maths.
4. Wednesday 12th June - from this point students will only attend study blocks for their remaining exams.

Year 11 Prom

As indicated in our previous communications, Year 11 Prom will take place at Beverley Barns on Thursday 4th of July. Full details have already been shared via Mrs Hall but do get in contact if you require further information on the prom. We are very much looking forward to the event.

GCSE Results Day

GCSE Exam results will be released on Thursday 22nd August 2024. Results will be available for collection from 9am until 11am in the Main Hall. We would be delighted to welcome families to join in the celebrations. If there are any issues, please contact exams@cottinghamhigh.net.

Thank you for your support over the past year and best of luck to Year 11 pupils in their final GCSE exams.

Yours sincerely

Dave Clement
Assistant Headteacher KS4
