Dear Year 11 Parents and Guardians

Cottingham Tutorials - After-School Academic Interventions for Year 11 Students

We are pleased to inform you about the implementation of our new Cottingham Tutorial academic interventions program designed to support Year 11 students in their studies. This program will commence from Wednesday 15th January and will run after school from 3:05pm until 4:15pm.

During these sessions, students will receive refreshments in the hall before being divided into personalised groups. Each group will benefit from bespoke interventions provided by a specialist teacher, tailored to meet their individual learning needs. Our aim is to offer targeted support that will enhance your child's academic progress and confidence.

The sessions for the first half term are below:

Wednesday 15 th January	English
Wednesday 22 nd January	Science
Wednesday 29 th January	Maths
Wednesday 5 th February	Humanities & Study Skills
Wednesday 12 th February (PPE week)	TBC in line with PPE timetable

Please note, to ensure students gain the maximum benefit from these sessions, we ask that attendance is mandatory for all Year 11 students. If you have any questions or concerns around attendance, please contact me directly.

In addition, our dedicated colleagues will be running non-compulsory extra revision sessions after school and these will be promoted by departments.

We believe that this initiative will greatly benefit our students and look forward to your support in ensuring its success.

Yours sincerely

Dave Clement
Assistant Headteacher
