

GEOGRAPHY

CURRICULUM AIMS

Everything we do in Geography will help shape a positive future for life beyond school.

During their time at Cottingham High School, all Geography learners will become:

- **Location experts**
- **Landscape Interpreters**
- **Eagle-Eyed Analysers**
- **Curious Cartographers**
- **Synoptic Linkers**
- **Divergent Thinkers**
- **Active Investigators**
- **Active Global and Local Citizens**

<p>Believe</p> <p>Shaping positive futures in the development of personal characteristics</p>	<p>Location Experts Divergent Thinkers Landscape Interpreters Active Investigators</p> <p>During the study of Geography at Cottingham High School all learners will have opportunities to develop a sense of empathy as they explore their role as global citizens. Learners will consider other people’s backgrounds and individual geographies as they better understand their place in the world by becoming <i>Location Experts</i> and <i>Divergent Thinkers</i>. As learners study the subject, they will gain greater awareness of our planet, and develop a life-long curiosity for both places and processes as they become <i>Landscape Interpreters</i> and <i>Active Investigators</i>.</p>
<p>Achieve</p> <p>Shaping positive futures by helping our pupils to achieve</p>	<p>Eagle-Eyed Analysers Curious Cartographers Synoptic Linkers Active Investigators</p> <p>To achieve within Geography, learners will develop a wide range of skills that enable them to confidently interpret a variety of figures and landscapes. Learners will develop the ability to analyse and interpret accurately as <i>Eagle-Eyed Analysers</i> and <i>Curious Cartographers</i> and will confidently evidence their findings. Learners will be taught how to ‘Think like a Geographer’ as <i>Synoptic Linkers</i> and will piece together both taught content and their own experiences of the world. Learners will be able to use their inquisitive minds outside the classroom by being <i>Active Investigators</i>, collecting fieldwork data accurately and forming logical conclusions.</p>

Succeed

Shaping positive futures so that pupils can contribute to wider society and life beyond school

Active Global and Local Citizens

To be successful beyond their time in the classroom, our Geographers will be able to bring all the above together to understand their place in the world. Learners will know how to be *Active Global and Local Citizens* and recognise that their actions matter and shape the future of the planet. Learners will understand how to make **sustainable life choices** and will be able to **contribute to society confidently, with empathy and skill**.

In Geography, we are creating future global citizens who are environmentally aware, socially conscious and economically engaged.
